

## Student Graduates of the 1st Class - Spring 2015

The first class of the IMBA Future Leaders Program graduated at the 2015 IMBA State Convention. Students in this first class are listed below and the Association is also very appreciative of the members who participated in getting this program to fruition as a committee, as well as the instructors. All of those listed below volunteered a significant amount of their time to provide the association, and industry, an opportunity to further educate IMBA members to better serve the housing needs of Hoosiers!
